Review: This book was highly enjoyable and informative. After reading many books on Sam Walton as well as his own autobiography, I found this book to be an excellent and honest profile of this highly successful businessman. What we see is an overview of a man who built the largest company in the world through pure hustle, determination, commitment, hard work...

Description: Sam Walton grew up to become the founder of Wal-Mart, but he was born with practically nothing except a compulsive drive to win - at football, at becoming class president, at beating everyone no matter what the game. His eventual empire started as nothing more than a dingy one-room general store. He created Wal-Mart - and his massive wealth - one building...
